US

Inspired by the skyscrapers of New York City, Thornes House is a self-contained block of apartments within The Residence development located in Zone 1 of London. Thornes House is ideally positioned between two new Northern Line underground stations (2 minutes and 45 seconds away from Nine Elms station) adding to the extensive transport links including tree lined footpaths, dedicated cycle lanes, Clipper river service, local buses and the Pimlico bridge providing direct access into the neighbouring Royal Borough's of Kensington and Chelsea.

Residential land offers a dedicated single point of contact throughout your stay for all dealings; including tenancy agreement, in-house maintenance, property management and general assistance.

Rent directly from Residential Land, which manages its properties in-house so that you deal directly with the landlord. All our tenants benefit from a dedicated on-site building manager who is on hand to assist with any property related issues. We also employ a dedicated team of maintenance experts and provide a 24-hour emergency helpline.
